

Let Us Reason Together

Isaiah 1:18

Come now, and let us reason together, saith the LORD: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool.

Think for a moment seeing things from God's perspective. Your all alone. Now what? You get this way cool idea of establishing creation. Because your God, the one and only God, a God of pure love and perfection, the plan of creation develops that can sustain life for eternity from within his self because God is life and is creation.

1John 4:8 He that loveth not knoweth not God; for God is love.

Creation being from God, creation being His image and likeness. (Gen 1:26-27) Therefore, his work is perfect and complete.

It is now established by the consciousness of God, the Holy Spirit, creation lives through the oneness, and all of creation is connected if the soul chooses. The soul lives from freedom, and creation is the unity of all. Creation lives in, from, and through God in the eternity of life.

1Th 4:8 He therefore that despiseth, despiseth not man, but God, who hath also given unto us his holy Spirit.

Eph 1:13 In whom ye also trusted, after that ye heard the word of truth, the gospel of your salvation: in whom also after that ye believed, ye were sealed with that holy Spirit of promise,

God's consciousness is creations consciousness less the polarity because God is not a God of polarity, but a God of love and eternal life. Polarity is the byproduct from the flesh creation. God being a God of pure love, He never changes and neither does Jesus.

Mal 3:6 For I am the LORD, I change not; therefore ye sons of Jacob are not consumed.

Heb 13:8 Jesus Christ the same yesterday, and to day, and for ever.

James 1:17 Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning.

Polarity is the key to free will. Polarity, or as creation refers to it as negativity, (some call it evil), gives creation a choice by way of free will to think and believe that life is from within itself.

But....

Eph 1:5

Having predestinated us unto the adoption of children by Jesus Christ to himself, according to the good pleasure of his will,

Rom 11:2

God hath not cast away his people which he foreknew. Wot ye not what the scripture saith of Elias? how he maketh intercession to God against Israel, saying,

(See Also; Rom 8:29-30, 1Peter 1:2)

God had foreknown and predestinated creation. Creation can then live from self in freedom. God's adjustments or judgements if you so choose, thus created creation is perfection. Creation now believing it is "from his own", has choice in everything and is not some programmed being or is enslaved to God.

God's conscience, the Holy Spirit at creation, guides and drives creation because nothing, absolutely nothing, can manifest from creation past consciousness or thought.

There is no separation from God's perspective as stated from Mal 3:6, and Heb 13:8.

It is the created soul choosing to create that separation that is based upon how the soul wishes to live. Creation is a god itself until it relinquishes itself from being a god and lives from faith and trust.

Creation lives from a perfectly established life and everything around it. The appearance of the flesh life is distorted because of polarity and lack of understanding the perfect complete plan of creation and creations eternity.

Creation has the total free will to choose what it wishes to believe and what it wishes to experience. The experience of life is love, and the reciprocal is noted as a spiritual death.

2Co 1:9 But we had the sentence of death in ourselves, that we should not trust in ourselves, but in God which raiseth the dead:

God raises the spiritual dead.

Since nothing can be from ones flesh self, God has established a code of ethics called the Word.

The Word being the foundation of the created souls. To be sure the souls can believe that foundation is of love, God had his Son to experience creation in the flesh, as a man, as a teacher, as an example so creation can learn and understand love.

Mark 12:30

And thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength: this is the first commandment. And the second is like, namely this, Thou shalt love thy neighbour as thyself. There is none other commandment greater than these.

God states for a soul to love self and the neighbor. Creation lives with polarity for a reason, God does not.
